Specifications

Wittco Model 200-2 two drawer heated drawer warmer is provided with a 12" x 20" x 6" steam table pan for each drawer. Each drawer has its own recessed control panel containing dual indicator light, full range thermostat for temperatures up to 190°F (88°C), individual elements and thermometer. Heavy duty 14 gauge stainless steel drawer slides and stainless steel roller bearings provide for smooth dependable operation of the drawers. Each drawer comes with a moist/crisp vent control and an oversize drawer handle for ease of use. Drawer slides and elements carry a lifetime replacement warranty. Fully insulated with 1" in the side walls and top. Cabinet interior and exterior are both constructed out of 20 gauge stainless steel. Each unit comes complete with 5" adjustable legs and a 6 foot cord and NEMA 5-15 plug (6-15 plug for 208/240 volt units). 120 volts, 950 watts, 8 amps.
